Campus: Sreenidhi International School, Near Telangana State Police Academy, APPA Junction, Aziznagar, Hyderabad, Telangana - 500075.

We look forward to welcoming you and your little one to a joyful beginning in our Toddler Programme!

welcome to our toddler programme

DISCOVER the WORLD through YOUR CHILD'S eyes

Have you ever wondered what it's like to see the world from **a toddler's perspective?**

To experience the wonder in every new **sight, sound, and touch?**

To live completely in the present moment?

Toddlers are naturally curious about everything around them.

At this stage, their vocabulary starts to expand as they learn to name objects.

Socially, they remain closely bonded to their primary caregivers and may feel uneasy around new faces.

Recognising this, our programme fosters a warm child-teacher connection, ensuring a comforting environment with a low teacher-to-student ratio.

Key Features

Age group

12 to 34 months

Development

FOCUS

Social skills,
cognitive development
physical
development.

Activity Stations

Children move from one station to another, engaging in activities tailored to their developmental milestones

Safe Feeding Practices

Parents send food and milk for their children; we ensure hygiene and safety with appropriate facilities.

Daily Routine

Our daily routine balances structured activities and free play, ensuring your child has the opportunity to **explore, learn, and grow at their own pace.**

Each day, toddlers will:

Participate in guided play at various activity stations

Engage in sensory and motor skills activities

Enjoy storytime and music sessions

Develop social skills through group interactions

Have outdoor playtime (weather permitting)

Why Choose OUR Toddler Programme?

your child is in safe hands

Our caregivers are trained and experienced in early childhood education and development.

We prioritise your child's safety with a secure, clean, and well-equipped facility.

With a low child-to-caregiver ratio, we ensure each child receives personalised care and attention.

Our curriculum fosters all aspects of your child's growth - social, cognitive, and physical.

Key Programme highlights

Story narrations and puppet shows

Enhance imagination, visualisation, attention span, language skills, and moral values.

Introduction to picture books

Foster reading readiness and a love for books.

Rhymes, music, and movement

Aid in memory, grasping, and overall learning.

Art-based curriculum

Encourage aesthetic development through colour exploration, texture understanding, and unrestricted artwork, building brain connections and having fun.

Learning centre Activities

Promote independent thinking, creativity, critical thinking, observational skills, experiential learning, and intelligence.

Various forms of play

Include free play, guided play, role play, dramatic play, indoor-outdoor play, and balancing activities to support social-emotional development and fine and gross motor skills.

Bits of intelligence

Focus on foundational literacy, numeracy, and cognitive skills.

Frequently Asked Questions • FAQs

1. What are the programme hours?

Our programme runs from 9:00am to 12 noon, Monday to Friday for a full academic year. We also offer day care after the program till 3:00 p.m.

2. What should I pack for my child?

Please pack a nutritious lunch, snacks, and milk for your child. *Include any necessary feeding utensils and clearly label all items with your child's name.

3. How do you ensure hygiene and safety during feeding?

We have a designated area for food storage and preparation. Our staff follows strict hygiene practices, and we have a fridge, microwave, and kettle to safely store and prepare your child's food.

4. What happens if my child has dietary restrictions or allergies?

Please inform us of any dietary restrictions or allergies. We will take all necessary precautions to ensure your child's safety. We have a trained nurse on campus who administers any medication and keeps a check of all allergies.

5. How do you handle naps and rest time?

We provide a quiet and comfortable space for naps and rest time. Each child has their own designated sleeping area with clean bedding.

6. What is your policy on illness?

To ensure the health and safety of all children, we ask that you keep your child at home if they are showing any signs of illness. Please refer to our health policy for more details.

7. How do you communicate with parents?

We provide regular updates on your child's progress and daily activities through our communication app and at scheduled parent-teacher meetings. We send a daily update on the day's happenings.

8. My child can identify numbers and letters. Can he transition to Nursery?

In our toddler programme, we focus on nurturing social, emotional, and physical development areas, helping children develop social skills, independence, and the ability to follow routines. Transitioning too early without appropriate development of these skills might be unsettling for your child in the Nursery. We emphasise on the holistic development of the child's overall readiness before making the transition to ensure they thrive in their new environment.
